

Parks & Rec 2023.1.22 Service Pack Notes

Primary Program	Notes	CRM Case	Type	Jira ID
Integrations	<p>Rentals could be double booked when the Later feature in Payments was used to schedule a payment.</p> <p>Scheduling a payment in Payments now reserves the rental item on the calendar and prevents other users from registering for the same day/time.</p>	11278140	Bug Fix	REC-5527
Rental Registration	The citizen portal prevented a booking if the <i>End Time</i> was the same as the <i>Start Time</i> of another rental.	11298335	Bug Fix	REC-5528
