

## Parks & Rec 2023.1.22.1 Service Pack Notes

Primary Program	Notes	CRM Case	Type	Jira ID
System Setup	<p>A <i>Default From Email Address</i> field has been added to System Settings &gt; Email Settings.</p> <p>The new field, when populated, is used as the <i>from</i> email address Parks &amp; Rec uses for email notifications that do not have a separately configured <i>from</i> email address.</p> <p>If the <i>Default From Email Address</i> field is blank, the <i>User ID</i> in System Settings &gt; Email Settings is used instead.</p>	NA	<a href="#">Enhancement</a>	REC-5529
